

Internal Grant Request Application

Requests can be made to support existing HRC programs and services. Requests may fund the existing HRC Grants, HRC Life Sharing, created to assist consumers in the Life Sharing and Homebased program. HRC Consumer Support, created to assist new programing, additional consumer programing or services needed. and HRC Families in Need, this grant is intended for consumers who use the HRC programs with Heating and Food that without could affect their quality of life.

Each grant request is individually reviewed for consideration. There may be instances when a request does not advance to HRF for consideration or even if it does, it may not be approved for funding through the foundation.
