

## HISTORY

Guided by a mother's wish for her son, the Human Resources Foundation was founded in 2015, helping to secure the future for individuals with disabilities through her legacy.

## MISSION

The mission of HRF is to enhance the quality of life and well-being of individuals with disabilities throughout Northeastern Pennsylvania.

## VISION

Our vision is for a community that embraces accessibility and choice; one that champions inclusion, diversity, and equal opportunity so that everyone may live their life to his/her fullest potential.

"Inclusion is not bringing people in to what already exists; it's making a new space, a better space, for everyone."
